

Introduction

Nfomedia is a learning management system for presenting course materials in a simple but powerful web format. You are using Nfomedia because your professor wants you to have easy and constant access to course resources.

To begin, go to www.nfomedia.com.

Register

To access the web site created by your professor, you must first REGISTER with Nfomedia. This is accomplished by selecting the CREATE AN ACCOUNT Link:

Login

Once registered, you are automatically logged into the Nfomedia web site.

Go to the Nfomedia HOME page by clicking on CONTINUE TO NFOMEDIA HOME.

Register Complete

 Success: You have been registered.

Thank you for registering.

You now have full access to NfoMedia services and more. Enjoy your visit and we hope to see around!

Find Your Site (i.e. course)

Find your course by SEARCHING for it. You can search by course number (e.g. 3311, 3401), department (e.g. SOCI, ANTH), university (e.g. Memphis, OSU), or professor's name (e.g. SMITH, WARREN). Once the search criteria are entered in the search box, click on the magnifying glass or press enter.

 

Nfomedia will find all courses containing the search string.
